PROSOLVE SUPER

Page 1 to 1

Version 3

1. PRODUCT DESCRIPTION

PROSOLVE SUPER is a water emulsifiable solvent containing slightly volatile chemicals. Flash point: 49.5°C.

Shelf life: 2 years.

2. APPLICATION

It is used to remove ink stains and emulsion, when the screen has been left for long periods. It has a very good dissolving properties.

3. USE

Rub the screen on both sides before reclaiming with a cloth or brush until the ink or emulsion disappears. Rinse well with water or high pressure jet, degrease the screen as usual, then reclaim with PROCLEAN.

If stubborn marks remain, it is possible to leave PROSOLVE SUPER on for one hour mixed with PROPASTE.

4. FIRST AID PROCEDURES
